(verse 1)

started as a little girl  
singing soul changed my world  
flipped my world upside down  
i got lost and i couldn't be found  
so much on my shoulders  
and so much on my mind  
seems no one can help me  
i think i just need some time

(Chorus)

sometimes i wish i could fly away  
looking for a place to getaway  
get away from all the heartache and pain  
that life can bring  
i really dont wanna sound  
like i cant stand my ground  
but everybody need some time  
that they can getaway...

(verse 2)

sometimes i wish i was invisible  
cause then no one would know where i am  
to ask me for anything  
cause ive given so much of me  
when is it time for me to receive  
cause Monica has her needs  
who's gonna look out for me

(Chorus)

sometimes i wish i could hide away  
looking for a place to getaway  
get away from all the heartache and pain  
that life can bring  
i really dont wanna sound  
like i cant hold my ground

but everybody need some time  
that they can getaway...

(verse 3)

you know im not superwoman

and im not made of steel  
i try my best to handle  
all i have to deal with  
not as easy as it seems  
and to think this was my dream  
now for everything i have im grateful  
but sometimes i wanna getaway

(Chorus)

sometimes i wish i could hide away  
looking for a place to getaway  
get away from all the heartache and pain  
that life can bring  
i really dont wanna sound  
like i cant hold my ground  
but everybody need some time  
that they can getaway...

(Chorus)

sometimes i wish i could hide away  
looking for a place to getaway  
get away from all the heartache and pain  
that life can bring  
i really dont wanna sound  
like i cant stand my ground  
but everybody need some time  
that they can getaway...
