Can't believe you would leave me this way  
Feeling kinda bad from the last things we said today  
Can't believe you would turn and walk away  
I know we'd do this again and again

You say you love me  
I'll come back but I hate you  
Only takes me a day to  
Realize I'm in love with you

You say, oh, see, girl  
I'll come back but just stay, boy  
If you don't want my love  
Then I have no choice this time, yeah, yeah

Tell me, baby, what to do  
I ain't trippin' over you  
Any, any other time  
Remember I'm gone be fine

I, I remain the same  
I dunno what's up wit you  
Any, any other time  
Remember I'm gone be fine

You said you didn't mean it that's fine  
You wanna take it back 'cause you're havin' a change  
of mind  
Sometimes saying sorry won't do  
Then some days I can't do without you

You say you love me  
I'll come back but I hate you  
Only takes me a day to  
Realize I'm in love with you

You say, oh, see, girl  
I'll come back but just stay, boy  
If you don't want my love  
Then I have no choice this time, yeah, yeah

Tell me what to do

I ain't trippin' over you  
Any, any other time  
Remember I'm gone be fine

I, I remain the same  
I dunno what's up wit you  
Any, any other time  
Remember I'm gone be fine

Tell me what to do  
I ain't trippin' over you  
Any, any other time  
Remember I'm gone be fine

I, I remain the same  
I dunno what's up wit you  
Any, any other time  
Remember I'm gone be fine

[Incomprehensible]  
The milkman delivered this  
Everyday on schedule  
Ain't good use to cry over spilled lactose  
When you got these vegetables

Four food groups ain't nothing but  
Four ways to keep four families paid  
Oprah went from one line to  
Telling y'all silly ass rock upstate

Yeah so for one girl when I met you  
I'ma say this you was fine  
You traveled around the block  
I let you drive the 'lac one time

Maybe your heart's at stake  
Some of the people around you actin' fake  
'Cut your cake up, wakeup, fix your make up  
'Cause your gonna be straight up like that

Tell me what to do  
I ain't trippin' over you  
Any, any other time  
Remember I'm gone be fine

I, I remain the same  
I dunno what's up wit you  
Any, any other time  
Remember I'm gone be fine

Tell me what to do

I ain't trippin' over you  
Any, any other time  
Remember I'm gone be fine

I, I remain the same  
I dunno what's up wit you  
Any, any other time  
Remember I'm gone be fine

Tell me what to do  
I ain't trippin' over you  
Any, any other time  
Remember I'm gone be fine
