(feat. Twista)

It's The 17th One Week Before The Day You Were Born,  
I Been Making Big Plans Just For Over A Month,  
Trying To Make This The Best Birthday You Ever Had  
Show You That You're My Baby, Damn All This Strain  
Got  
Me Feeling Somethings Wrong, Pull Up To My Gate  
They Keep Saying He's Gone, Found Envelopes In  
Between My  
Door Biggest Day Got Me Panicing What The Hell This  
Letter Gonna Read

Hell No  
You Say You Don't Want It No More  
Hell No  
You Say You Can't Give Me What I Want  
Hell No  
How You Just Gonna Leave When I Stayed Wit You  
Through Hard  
Times And You Cheated  
Hell No  
I Hate To Say It But I Need It Hell No  
God Please Talk To Me  
Hell No  
Your So Called Love Was So Deep When It Told You,  
You Should  
Run Far And Not Give A Damn About Me How Could You  
Leave Me When You See Me Desparately In Need Of  
What We Had Before  
I Cried So Many Times But Never Did It Cross My Mind  
To Think  
But Let It Go

Didn't Even Ever See If We Ever Meant This Shit Before  
Before But We Been  
Down This Road Before How Could You Leave Me Baby  
Please My  
Heart Is Beating For The Beat We Had Before How  
Could You Leave Home

Now I Need You Wanna Laugh Wanna Stand Wanna Get  
Just One More Chace  
Just To See You All My Friends All My Kin Say Mo Just Let  
That End But I Breath You In The Drive Way I Found  
Picutures On The  
Groud Of Our First Date I Never In A Million Years  
Though This  
Would Be Me I'm Trapped In Love With Somebody That  
No Longer Thinks  
That I'm Somebody Special Look At Me

Hell No  
You Say You Don't Want It No More  
Hell No  
You Say You Can't Give Me What I Want  
Hell No  
How You Just Gonna Leave When I Stayed Wit You  
Through Hard  
Times And You Cheated  
Hell No  
I Hate To Say It But I Need It Hell No  
God Please Talk To Me  
Hell No  
Your So Called Love Was So Deep That It Told You, You  
Should  
Run Far And Not Give A Damn About Me How Could You  
Leave Me When You See Me Desparately In Need Of  
What We Had Before  
I Cried So Many Times But Never Did It Cross My Mind  
To Think  
But Let It Go

How Could You Leave Me When You See Me  
Desparately In Need Of  
What We Had Before  
I Cried So Many Times But Never Did It Cross My Mind  
To Think  
But Let It Go

Didn't Even Ever See If We Knew It Relationship Before  
But We Been  
Down This Road Before How Could You Leave Me Baby  
Please My  
Heart Is Beating For The Beat We Had Before How  
Could You Leave Home

[Twista:]  
I Remember When You Said I Couldn't Get None Of That  
Then I Remember  
When You Let Me Hit It From The Back I Remember  
When We Were Young

And Sprung And Steady Talking On The Phone And How  
We Both Kept  
Running Back To Each Other We Were Always Together  
Forever To The End  
I Don't Really Know Why I Froze Up Planning For A  
Wedding But You  
Gettin Marry It's Scary Now I Got You Crying Cause A  
Nigga Didn't Show  
Up Can't Really Tell You Why But Im Twista From The  
Chi And I'm Dying  
Inside Cause I Know I Really Want You So For Leaving  
One Day I Will Have  
To Give You A Answer Girl But Right Now Can't Tell You  
Why I Left  
Sweet Personality And Good Sex Girl Fear Of Take A  
Man Life You Suppose To  
Be My Wife Goodbye Hope To See You In The Next  
World

You Was All Up Under Me Acting Like You Was So In  
Love I Was Talking  
About You But Thug Nigga What You Runnin Fa Cop You  
In The Benz  
You The Firt One Seen On The Block Wit It Took You To  
The Club Showed  
You How To Lean Wit It Rock Wit It You Was Bold When  
You Wanna Get  
Some Of That When You Wanna Hit The Hole Like A  
Running Back Then You  
Left Now You Wanna Come Running Back Hell Naw  
Nigga I Don't  
Wanna Hear None Of That I Know You Quick Betta Spit  
That Shit To So  
I Really Wanna Send You Lose

How Could You Leave Me When You See Me  
Desparately In Need Of  
What We Had Before  
I Cried So Many Times But Never Did It Cross My Mind  
To Think  
But Let It Go

Didn't Even See If We Knew It Relationship Before But  
We Been  
Down This Road Before How Could You Leave Me Baby  
Please My  
Heart Is Beating For The Beat We Had Before How  
Could You Leave Home

All The Women I Caught You With Still I Didnt Leave But  
I Didn't

Forget All Thoes Women I Caught You With Maybe I  
Should Leave But I  
Didn't Forget
