Did you know I love you do anything for you
Well time is standing alone for the tonight
You would apology, you said you're sorry
I start to believe that you are
I been out of it lately

Your word are protection
That I
I I would be right here for you
I know I would
But it was something you were think tonight
You been out of it lately
Cause I been out of it lately

Did you know I love you
Do anything for you
Well time is standing alone for the tonight
You would apology, you said you're sorry
I start to believe that you are
I been out of it lately
didn't I tell you

What you were thinking
Tonight be us
Same old thing I try get out of it
Thought you know new travel fast
Thought you make feel like a woman

Didn't I tell you x6

(Chorus)

Did you know I love you do anything for you
Well time is standing alone for the tonight
You would apology I love you, you say you're sorry
I start to believe that you're
I been out of it lately

Didn't I tell you x6

(Chorus)
