Ohh, ohh, ohh  
Ohh, yea, yea  
Hmm

I looked at you a thousand times  
This time when I looked at you  
There was somethin' new  
How could I be so blind?

We shared our secrets in the dark  
Though we were only friends  
I don't know when the feelin' changed  
Within my heart

Baby, I keep it to myself  
(Ooo)  
Baby, fallin' in love with you  
(Ooo)  
Ooh the harder it gets  
'Cause you don't know  
The love I'm feelin'

(Ooo)  
I keep it to myself  
Baby, fallin' in love with you  
(Ooo)  
I don't wanna push you away  
'Cause no one makes me  
Feel like you do

I dream of you all through the night  
Holdin' you tenderly  
Right here with me  
Right in my arms so tight

But when I start to tell you how I feel  
You tell me 'bout someone new  
Who's right for you  
If you only knew my love's for real

Love baby, ooh  
(Ooo, I keep it to myself)

Baby, ooh, fallin' in love with you  
(Ooo)  
The harder it gets  
'Cause you don't know how much pain  
I'm feelin' in here, yea

(Ooo, I keep it to myself baby)  
Ooh, fallin' in love with you  
(Ooo)  
I don't wanna push you away  
'Cause no one makes me  
Feel like you do

(I wonder if you feel the same way I do)  
Then we both could be together forever  
Why do I hide all my feelin's inside?  
If I know you're the only one for me  
Deeper that it gets the harder that I fall

Fall baby  
(Yea)  
(Ooo, I keep it to myself baby)  
Ooh, fallin' in love with you  
(Ooo)  
The harder it gets  
'Cause no one knows  
The pain I'm feelin'  
(Ooo)

Baby  
(I keep it to myself)  
Don't you ever leave me  
You know baby  
(Ooo, I don't wanna push you away)  
Don't you ever go away from me  
Baby

(I love you, I love you like)  
I love you baby  
Love you crazy  
(You know, I love you like that)  
I love you baby  
I love you crazy

(Ooo, I keep it to myself, baby)  
Don't you ever leave me  
You know, my baby, yea  
(Ooo, I don't wanna push you away)  
Don't you ever go away from me  
Baby, yea

(Ooo, I keep it to myself)  
I keep it to myself  
(Ooo, the harder it gets)  
It gets so ugly  
It gets so hard some how  
(Ooo, I keep it to myself)  
Don't you ever leave me
