Oceans apart day after day  
And I slowly go insane  
I hear your voice on the line  
But it doesn't stop the pain  
If I see you next to never,  
Then how can we say forever?

\*-Chorus-\*

Wherever you go,  
Whatever you do,  
I'll be right here waiting for you,  
Whatever it takes,  
Or how my heart breaks,  
I will be right here waiting for you

I took for granted all the times  
That I thought would last some how  
I hear the laughter and I taste the tears  
But I can't get near you now  
Oh can you see it baby  
You've got me goin crazy

\*-Chorus-\*

I wonder how, how we can survive this romance  
But in the end if i'm with you i'll take the chance

\*-Chorus-\*

Oh I love you,  
Oh whatever it takes,  
Whatever you do,  
Wherever you go i'm never leavin you

I'll be right here waiting for you
