La La La La La Lala La La La La La
I kind of feel like time is passing us by
But It's Killing me to leave you alone... (Alone Alone)
Baby I'm so sure that we belong in my eyes they never
lie
I see it clear right now,
I'm riding shot gun
We headed there
If I should disappear right now
Wouldn't notice it or care... NOT AT ALL
Baby you don't see nothing
You must be blind out your mind lots of something
I see us so clearly
It's like 20/20
I see us in love like the people on T.V.
I see us in 3D..... (2x)
I see us together
It looks like forever
I see us in love
Now don't it look better
La La La La La Lala La La La La La
Ooooh
Lately it seem like you don't even try
I feel you wanna be left alone (Like I did something
wrong)
Baby come back through my door
You be so close in my sight
Open your eyes
I see it clear right now
I'm riding shotgun
We headed there
If I should disappear right now
You wouldn't notice it or care.... NOT AT ALL
Baby you don't see nothing
You must be blind Out your mind Lots of something
I see us so clearly
It's like 20/20
I see us in love like the people on T.V.
I see us in 3D..... (2x)
I see us together
It looks like forever
I see us in love

Now don't it look better (In 3D)
La La La La La Lala La La La La La
Ooooooh I
Baby I can see it from a mile away
(It's like it right in front of my face)
Honey so close I can touch it
Oh baby give us a chance
See what I see.....
Baby you don't see nothing
You must be blind Out your mind Lots of something
I see us so clearly
It's like 20/20
I see us in love like the people on T.V.
I see us in 3D..... (2x)
I see us together
It looks like forever
I see us in love
Now don't it look better.... (In 3D)
