New monica it so heart breaking

Verse 1

Verse 1

It so unfair to me (what you saying) I could stand here  
while run your mouth off to me  
You better standing back  
This girl you talk to  
Nothing you saying already heard  
I f I could trust you what you here for  
(If we couldn't work it out) think it gona work now  
Tell me  
Is enough  
Cause I don't won't to feel like a fool  
In front of you  
Is this another heart break  
I don't won't to feel like a fool in frront of you (saying  
you know so much)  
Tell me  
Is so heart breaking

Chorus

Newish monica it so heart breaking that you can't go  
without me then you have problem x6

Verse2

Why you here for  
You can't explain the mistake you said it hardly nothing  
You said I'm put out of contexting  
What is then  
That then you when I know I be listing, I come in room  
Unfair to me  
It so heart breaking

Pre chorus

Cause you know how to my breaking my soul it so it my  
heart that give so much love  
Then pretending to understand me  
It so easily for to looking at me that way  
We haven't talk (why you're explain) to me

Talking what you want to do  
So get heart break  
It so easily for me  
To see what are  
It so heart breaking

to what you said  
Then I found what you're doing to me  
I find wasn't as you promise

Verse 3-

It so unfair to me  
Serious what I'm doing here  
If I could trust you why you here for  
(If we couldn't work it out)  
Tell me  
Is enough  
Cause I don't won't to feel like a fool  
In front of you (then I know what you saying is unfair to  
me)  
Is this another heart break (or just get off of your feet)  
Not to worry about your girl  
I don't won't to feel like a fool in front of you (now you  
saying what you can't speak)  
Tell me  
is enough  
Is so heart breaking  
(Chorus) x6

Newish monica it so heart breaking that you can't go  
without me then you have problem

you couldn't see me is enough I'm talk to you  
Then you speaking pre chorus chorrus out
