Its funny how the tables turn turn turn turn
{Missy}
So upset
This that hot new
Uh huh
Yeah
New Monica
{Monica}
Its funny how the tables turn now it's you running after
me
Didn't wanna spent quality time, didn't think I would
ever leave
You got way to comfortable, now you say you want me
in your life
'cause I picked up all my shit and im moving in my new
place tonight
So don't you come
Knock Knock Knock
Stop knocking don't come knocking at my door
Ring Ring Ring
Let the phone stop I don't want you calling me no more
Boy it's a dangours game to try and play a chick like
me
Wanna go out and do your thang I will be out for ya
count to three
So do just what you want, anytime that you really like
I put a payment on my place, you be sleeping alone
tonight
So don't you come knocking
Knock Knock Knock
Stop knocking don't come knocking at my door
Ring Ring Ring
Let the phone stop I don't want you calling me no more
{Monica Rap}
I used to be so gone
You were some one I could lean on
My life support system
And I thought I couldn't breathe ah ah
When you used to leave yep yep
I see you put yo clean on
Big chains gold teeth and yo gleam on
All night wanna be gone

Wanna tell me stay home like I got a ah ring on
Now you say im not your wife right right
So why should I be chillin goodnight goodnight
Now pack up my things for a flight
I got a place and fixed up nice
So don't come knocking at my door
I got company comin around four
So wo wo
I don't want you calling me no more
Knock Knock Knock
Stop knocking don't come knocking at my door
Ring Ring Ring
Let the phone stop I don't want you calling me no more
Changed my locks
Took my things
Cant come in
Changed my locks
Took my things
Cant come in
I don't want you calling me no more
Monica: Hey this Monica leave a number after the beep
Missy: Aye yo Mo pick up the phone man,
This old raggedy cellular phone sound like an old
alarm clock
Old switch board line phone. Do you even have call
waiting on this joint.
Call me back ya late for the studio, this Miss.
