### "Lesson Learned"

#### *[Verse 1]*

Lately we haven't had a chance to speak  
Cause you aint really had no time for me  
Maybe there's somewhere else you'd rather be  
And I don't understand it at all  
If I recall I gave you everything  
But I can't remember one time you sacrificed for me  
And I'm starting to feel like I'm losing myself  
So I think that I'll just live with what's left

#### *[Chorus]*

Why did you treat me like a girl on the side  
Why did you have to go and make me cry  
Boy tell me  
You could've walked away  
Rather than cause me pain  
Baby I aint really need it at all  
And I cant make you love me  
So I aint trying that  
You won't make a fool of me  
So you can forget that  
Going out a leading lady  
How my mama raised me  
Take the stripes that I've earned lesson learned

#### *[Verse 2]*

Why did you have to go and lie to me  
When you were out there running in the streets  
Well I'm tired of calling your cell phone  
4 o'clock in the morning  
You pick it up and all I hear is....  
If I was too much woman all you had to say was  
That you wasn't ready  
And I would've understood  
Well let me calm down  
Why should I be mad  
When honestly it aint nothing you stressing bout

#### *[Chorus]*

Why did you treat me like a girl on the side

Why did you have to go and make me cry  
Boy tell me  
You could've walked away  
Rather than cause me pain  
Baby I aint really need it at all  
And I can't make you love me  
So I aint trying that  
You won't make a fool of me  
So you can forget that  
Going out a leading lady  
How my mama raised me  
Take the stripes that I've earned lesson learned

*[Bridge]*

Gave so many chances you blew it over again  
Time and time I wonder why  
You put me after your friends  
You couldn't tell me the real  
Boy do you know how it feels  
When I call your phone and you don't call back  
I know you can't be for real uh uh  
So I packed my bags uh  
And aint comn back  
Treat me like I don't know you  
What part of the game is that  
Boy I aint turning around  
This is no place for me to be  
You never meant enough for me

*[Chorus]*

Why did you treat me like a girl on the side  
Why did you have to go and make me cry  
Boy tell me  
You could've walked away  
Rather than cause me pain  
Baby I aint really need it at all  
And I can't make you love me  
So I aint trying that  
You won't make a fool of me  
So you can forget that  
Going out a leading lady  
How my mama raised me  
Take the stripes that I've earned lesson learned

Oh I, I learned my lesson [x2]

I'm leaving you  
That's what I gotta do  
You can't make a fool of me

I'm leaving

L-leaving you, u u u u u u

Hayyyyy!!!!
