verse 1:

this is so annoying,  
i say grow up, but i know that you wont  
i dont understand whats so hard  
you either wanna be with me or you dont..  
one day you love me, next day you wanna leave..  
your so up & down (off in your own)..  
but im about good and tired of this..to fly for you to not  
know what you want..

Chorus:

so let me know..what yu gonna do, stay or go  
cuz im not waitin  
yes or no..im about to decide for you, stay or go

stay or go, stay or go

verse 2:

tried to give you real love (real love, uh huh)  
thats when you up & run away  
but when i act like im done with you (so done, so done)  
thats when you decide (you will stay)  
i dont have time to waste like this, to fly to put up with  
your day to day..

chorus (1x)

Let me know, what you gonna do, do,do..  
i gotta know, know, wha oh  
cuz im not waiting.. no not anymore..bout to decide for  
you, stay or go o! stay or go oh whoa whoa whoa oh
