Outro

I see you

I drop by

See how you were doing

The last time I drop by

I can't take it baby

B.a.b.y make the pain go away repeat x4

Verse 1

See I been in love you with you

Until today

Other people may not see this hurtin me you fine

Tryin to defend you

Sitting over here cry for you to come back

I didn't ask if you were tried

Now I got to build up my strenght for you

I don't won't you see me this way

Make the pain go away

(Outro) x4

Verse 2

I know you told me

Have to wait now

I waited long enough for you

I need some answer for you

You said you done for the today baby

How much I have to wait from family, from you , from me

I have wait this long how much I do to make to

Make the pain to go away baby

I see you

I drop by

See how you were doing

The last time I drop by

I can't take it baby

B.a.b.y make the pain go away x4

(Outro) x4

Pre chorus

See I been in love you with you

Until today

Other people may not see it you fine

Trying to defend you

Sitting over here crying for you to come back

I didn't ask if you were tried trying to deal with it.

Now I got to build up my strenght

I don't won't you see me this way b.a.b.y

Verse 3

So I'm tell your family you big in my life some other is
stress out

I told you

If I can be with you

I don't be at all

If you don't have me

You stay in my heart

Long as you want to

I forget my baby my b.a.b.y b.a.b.y

You all that have

(Outro)

Ending

Now that we are done

I miss you so miss

But heartache is over for you

The last time I drop by

I can't take it baby

B.a.b.y make this pain go away

Outro

I see you

I drop by

See how you were doiing

The last time I drop

I can't take it baby

B.a.b.y make the pain go away

Other may not see it this hurting me so make go away

(Outro) x4
