"Man Who Has Everything"

Hard, Hard Hard Livin
Always helpin, Always Keeping, Always Given
Your jewerly and your cars,
They satisfy these women,
Or should I say girls
Because they run around like children
But that aint what you need, no

You deserve to love someone
Whose going to love... you back (love you back, boy)
As even a man who has everything still needs
somethan(ah)
Money can't buy
Maybe you deserve someone whose goin to have...
your back(back)
A woman who has her own and don't need
nothin(nothin but you babe)

But the Question is
Can you give that babe
Can you share your feelings
Keep all of your money
And give up your heart
Cause it's never been easy(no no)
Nothin
?Me?
Require mo... ney your credit cards
But you goin to get just what you paid for

You deserve to love someone(so pay attention babe)
Whose going to love... you back (ah ah yeah)
As even a man who has everything still needs
somethan
Money can't buy
Maybe you deserve someone whose goin to have...
your back(back)
A woman who has her own and don't need nothin
Nothin but you babe

Someone to push your heart to the limit yeah yeah
Someone who knows when your hurtin
And how to make it better

Needs somebody who gonna to tell the truth
Even when you wrong they gonna stay there
Stay with you foreva

You deserve to love someone
Whose going to love... you back
As even a man who has everything still needs
somethan
Money can't buy
Maybe you deserve someone whose goin to have...
your back(back)
A woman who has her own and don't need
nothin(nothin but you babe)

You deserve to love someone
Whose going to love... you back
As even a man who has everything still needs
somethan
Money can't buy
Maybe you deserve someone whose goin to have...
your back(back)
A woman who has her own and don't need
nothin(nothin but you babe)
