Miss thang  
Miss thang  
Miss thang

Couldn't wait to understand  
I grew up faster than the rest  
It affected the ways of my attitude  
But don't take it as I'm rude

Now I'm fly as I can be  
Got responsibilities  
But I know when I'm right, I'm right  
And when I'm wrong as I can be

But it's all right for me to think it's all about me  
Too many people tryin' to check, but they can't see  
I know you wouldn't want to think that I'm naive  
Said I may be young, but I'm experienced  
In all I need to know, that's why I'm

Miss thang  
(Because I know I've got it goin' on, they call me)  
Miss thang  
(Miss thang, yeah)  
Miss thang  
(It's the way that I carry on, that I'm miss thang)  
Miss thang  
(Miss thang, baby)

I meet guys that are my age  
But they can't relate to me  
Because I'm too much for their minds  
And their young mentality

Confidence is what you bold  
And my friends are much too old  
But I swing out when they swang  
And that's how I got my name

But it's all right for me to think it's all about me  
Too many people tryin' to check, but they can't see  
I know you wouldn't want to think that I'm naive

Said I may be young, but I'm experienced  
In all I need to know, that's why I'm

Miss thang  
(Because I know I've got it goin' on, they call me)  
Miss thang  
(Miss thang, yeah)  
Miss thang  
(It's the way that I carry on, that I'm Miss thang)  
Miss thang  
(Miss thang)

Miss thang  
(Don't you know I got it goin' on?)  
Miss thang  
(And you can't do nothin' with me)  
Miss thang  
(It's the way that I carry on, that I'm Miss thang)  
Miss thang  
(Miss thang)

Miss thang  
Miss thang  
Miss thang
