They say when you find the one  
There'll be no second guessing  
You'd feel it deep in your heart  
You'll know that it was destined

The feelin' inside will let you know  
Something that you can't deny, just let it grow  
They say it's better to love then never love at all  
To appreciate all the good sometimes you gotta fall

But I was foolish  
I shouldn't let you go  
But now I miss you  
I gotta let you know

I need you back, back in my life  
I need your kiss, kiss in my life  
And it's been so long since you been gone  
Baby, won't you come back home?

You only get one  
One love  
One in a lifetime

You only get one  
One love  
One in a lifetime

And I can't believe that I almost missed the signs  
Right in front of my eyes  
And now I know the love is real, it's hard to say why

You only get one  
One love  
One in a lifetime  
And that one is you

They say that pleasure  
Comes with pain  
And I'm so used to being whole  
It's hard to be half again

And you gotta feel the same way  
My tears are steady falling like a pouring rain  
Tell me, will the forecast change?

If you love somebody, gotta let 'em know  
Tomorrow's never promised, you gotta let it show  
If you love somebody you gotta let 'em know  
Tomorrow's never promised, you gotta let it show

I need you back, back in my life  
I need your kiss, kiss in my life  
And it's been so long since you been gone  
Baby, won't you come back home?

You only get one  
One love  
One in a lifetime

You only get one  
One love  
One in a lifetime

Can't believe that I almost missed the signs  
Right in front of my eyes  
And now I know the love is real, it's hard to say why

You only get one  
One love  
One in a lifetime

And that one is you  
And that one is you  
And that one is you  
And that one is you, is you

I will climb the highest mountain  
Swim the deepest oceans for you, you, you  
I will walk across the desert  
Just to get that message to you, you, you

There ain't a thing in this world that I wouldn't do  
Right hand to the man, boy, I'm tellin' the truth  
So all my ladies, if you feel me then put your hands up  
For that one, for that one

You only get one  
One love  
One in a lifetime

You only get one  
One love

One in a lifetime

And I can't believe that I almost missed the signs  
Right in front of my eyes  
And now I know the love is real, it's hard to say why

You only get one  
One love  
One in a lifetime  
One in a lifetime

That one  
That one  
That one  
That one

You only get one  
One love  
One in a lifetime

You only get one  
One love  
One in a lifetime

And I can't believe that I almost missed the signs  
Right in front of my eyes  
And now I know the love is real, it's hard to say why

You only get one  
One love  
One in a lifetime  
One in a lifetime
