Uhn...Ay Dirty (What?),

[Chorus]

I like the way you do that right thurr(right thurr),
switch ya hips when ya walking, let down ya hair,(down
ya hair)
I like the way you da that right thurr(right thurr),
Lick ya lips when ya talking that make me stare (make

[Verse 1]

I like the way ya look in them pants,
shit ya fine, lil momma a quater piece, she far from a
dime,
The type of girl that'll get ya up and go make ya grind,
I'm thinking bout snatching her up dirty, making her
mine,
Look at her hips,BUT,look at her legs,
aint she stacked?
I shole wouldn't mind hittin that from the back,
I like it when I touch her cause she moan a lil bit,
jeans saggin, so I can see her thong a lil bit,
I know you grown a lil bit,
20 years old you legal,
don't trip off my people just hop in the regal,
I swooped on her like a eagle,
swoop down as prey,
I know you popular, but you gone be famous today, I
say..

[Chorus x2]

[Verse 2]

She be shopping at Frontenac, just look at her front-
and-back,
man she so stacked,
and she know that I want that,
her man he so wack, girl can I taste yo cat?
Gave her 300 to strip, like buying a throwback,

she stay in the club,like to be seen,
she got it honest, In real life girl remind me of
Pocahontas,
she be at events, stop the press when she pass,
all the high rollin cats wanna pay for that Ass,
aint no half steppin, she strapped wit a nice weapon,
trip,
It's against the law for her to move them hips,
If you ever seen her dirty,
yo mouth gone drop, world wide fools probaly tell you

[Chorus x2]

[Verse 3]

I like the way she doing that,
plus I like it when she bring it back say,
Oh,Oh,Oh,Oh, do what you do,

Plus I like it when she bring it back say,
Oh,Oh,Oh,Oh, do what you do,
give me what you got for a pork chop,
Uhn, she threw it at me like I was a short stop,
Huh, Twirking in a fatty girl hultur top,
then she backed it up on me, then let it drop(drop),
make it hot BOING!, Like a bunny,
girl can I touch you where it's sunny,
Her appearance'll make you give her some money,
she should post for sports illustrated,
it's like a picture perfect sight when she past,
all the other girls hate it,but..

[Chorus x2]
