Ooh ooh ooh
Ooh ooh ooh
Yea yea yea yea

I've been talkin' to some friends of mine about you, boy
They say you're 'bout to have a child
When you goin' tell me 'bout it
This other chick your sleepin' with
Now you gotta deal with it
Hope you've found happiness
I've found myself in such a mess

With you
And I put way too much love
Into you
Though the one day
We'll be true
And time after time
I stuck with you
But now I'm too through

('Cause I)
'Cause I've been the fool
Sittin' 'round too long
I think its 'bout time
(Aah)
That I ring da bell and carry on
(Carry on)
I forgave you before
(Yes I did, yes I did, yes I did)
But it's too far long
Think its 'bout time
That I ring da bell and move along

You said it was a mistake
On one night saw her late
Must of been for pure affection
Boy, you didn't have protection

You had to think of me
But you did never see
Yourself in this predicament

You never thought that it would catch up

With you
Put way to much love
Into you
Though the one day
We'll be true
And time after time
I stuck with you
But now I'm too through

'Cause I've been the fool
(Yea, yea)
Sittin' 'round too long
(Sittin' 'round too long)
I think it's 'bout time
(Yea)
Ring da bell and carry on
(On)
I forgave you before
(Before)
But it's too far gone
(Far gone)
I think its 'bout time
('Bout time that I)
That I ring da bell and move along

('Cause I)
'Cause I've been the fool
(Baby)
Sittin' 'round too long
(Baby, baby, baby)
I think it's 'bout time
That I ring da bell and carry on
(Ooh)
I forgave you before
(I forgave you)
But it's too far long
(Baby)
I think it's 'bout time
That I ring da bell and move along
(Yea, yea)

How awful the way
You treated me
Gave you everything
(I gave you everything, no)
So hurt to say
(I'm so hurt)
You didn't tell me
(You didn't tell me)

Can't wait to leave
(Baby, yea)

'Cause I've been the fool
(I don't really want to know, baby)
Sittin' 'round too long
(You do not really care for me)
I think it's about time
(I don't really want to know, baby)
That I ring da bell and carry on
(You do not really care for me)
I forgave you before
(Ooh)
But its too far long
(Yea)
I think it's 'bout time
That I ring da bell and move along
