There were times  
When we use to go out  
Know all we do  
Is scream and shout  
You use to buy things  
And give me complements  
Now everything's  
An arguement  
Tell me  
When it ever went wrong  
Cause I don't wanna be  
Another couple  
That you hear in sad song  
How can we communicate  
Before it's much  
Too late and I

[Chorus:]  
I'm sick  
Of playing games  
I'm sick of waiting by  
Half the times we cool  
And other times we're not  
I'm sick of crying  
All these nights  
I'm sick of being  
Sick and tired

And I'm sick  
Of all these rules  
I'm sick  
Of all these lies  
Half the times we cool  
And other times we're not  
I'm sick of waiting  
All my life  
I'm sick of being  
Sick and tired

Remember when we use  
To have fun  
I know you can't even

Remember the last time  
I know you seeing someone  
Cause you been walking around  
Like everything is just fine  
What the hell have I done  
For you to have me feeling  
Like I'm losing my mind  
I don't wanna be no one  
But is fronting on me and I

(Chorus)

I never did ask  
For nothing  
But I can tell you  
Going through something  
So now would you risk me  
Leaving our home  
I hope you put  
Your thoughts into this  
Cause when I'm gone  
I know you'll miss  
All my love cause  
When it's gone  
I'm gone

I said that I'm sick  
And tired of the lies  
I can't do it nomore  
I said  
I can't do it no more  
I'm so so so so tired  
Ladies, ladies, ladies  
Help me sing

(Chorus)
