Everybody skate to the music, put your hands in the air
Don't stop till it grooves you and you feel it everywhere
Just skate to the music till you feel it going on
Don't stop till you lose it, baby, everybody skate

It's Sunday night and we're about to have a ball
The place is packed been thinkin' 'bout it all day long
People are jammin' and waiting for their favorite song
With everyone in a world of their own

Can't wait to get up on the floor
And bounce around to the sounds
And don't just sit up on the wall
Get down, baby get down

Everybody skate to the music, put your hands in the air
Don't stop till it grooves you and you feel it everywhere
Just skate to the music till you feel it going on
Don't stop till you lose it, baby, everybody skate

The beat is bumpin', the lights are movin' to the groove
All in the light, we roll until the night is through
Only a minute before it puts you in the mood
And from there it's all up to you

Can't wait to get up on the floor
And bounce around to the sounds, yeah
Don't just sit up on the wall
Get down, baby get down

And everybody skate to the music, put your hands in
the air
Don't stop till it grooves you and you feel it everywhere
Just skate to the music till you feel it going on
Don't stop till you lose it, baby

And everybody skate to the music, put your hands in
the air
Don't stop till it grooves you and you feel it everywhere
Just skate to the music till you feel it going on
Don't stop till you lose it, baby

Everybody skate, skate, skate, yeah baby
Everybody skate, skate, skate
Get down to the music

Everybody skate to the music, put your hands in the air
Don't stop till it grooves you and you feel it everywhere
Just skate to the music till you feel it going on
Don't stop till you lose it, baby

Everybody skate to the music, put your hands in the air
Don't stop till it grooves you and you feel it everywhere
Just skate to the music till you feel it going on
Don't stop till you lose it, baby

Everybody skate, skate, skate
Just skate, skate, skate
Everybody skate, skate, skate
Just skate
