I was all alone, I was feeling rather low  
I needed someone to lift my spirits up  
So I dropped in on a dance  
Just to take a glance and there this lovely thing was

She was more than enough, I asked her for her hand  
Said would you like to dance, so pleased that I had  
asked  
She quickly took my hand  
And we danced and fell in love, on a slow jam

Play another slow jam, this time make it sweet on a  
slow jam  
For my baby and for me  
Play another slow jam, this time make it sweet on a  
slow jam  
For my baby and for me

Seems what you say is true, I feel the same way too  
You see I waited all night long just to dance with you  
And when you touched my hand  
I knew you were the man

To turn my world around, and make my dreams come  
true  
The magic in your eyes made me realize  
That everything I feel has got to be real  
And we danced and fell in love, on a slow jam

Play another slow jam, this time make it sweet on a  
slow jam  
For my baby and for me  
Play another slow jam, this time make it sweet on a  
slow jam  
For my baby and for me

I've been trying to find someone  
Who I can give my good lovin' to  
Never, ever did I dream  
I'd find someone

Now I've been tryin' to find someone too

I prayed to heaven and then I found you  
I swear I fell in love the night  
You danced into my heart

Play another slow jam, this time make it sweet on a  
slow jam  
For my baby and for me  
Play another slow jam, this time make it sweet on a  
slow jam  
For my baby and for me
