So gone over you, you, you, you
Yeah, new Monica

Silly of me
Devoted so much time
To find you unfaithful, boy
I nearly lost my mind

Drive pass your house every night
In an unmarked car
Wonderin' what she had on me
To make you break my heart, yeah

(You make me feel)
You make me feel
IÃ¢Ä™ m so gone
(So gone)
You make me
(You make me feel)
Whoa and I love you to love you, baby, I
(So gone)

Nights I couldnÃ¢Ä™ t sleep
You let the sun beat you home
I asked myself over again
What am I doing wrong?

To make you stay out all night
And not think to call
What does she have over me
To make him not think to call home?

(You make me feel)
You make me feel
IÃ¢Ä™ m so gone
(So gone)
You make me
(You make me feel)
Whoa and I love you to love you, baby, I
(So gone)

Listen, boy, IÃ¢Ä™ m a rowdy chick

Sometimes I have to fight 'cause my mouth too slick
Baby, why you doin' me like I ain't worth this shit?
Make me wanna ride passed your house and sit

Kick down your doors and smack your chick
Just to show you Monica not havin' it
So in love with you like a drug habit get
(So unreal)
You treat me so unreal

What she do, I do better
What she do to make you love her ?
Is it real or forever
Baby, please can't we stay together

What she do, I do better
What she do to make you love her?
Is it real or forever
Baby, please can't we stay together

Whoa and I love you to love you, baby
(Whoa and I love you to love you, baby)
Whoa and I love you to love you, baby

Whoa and I love you to love you, baby
(Whoa and I love you to love you, baby)
Whoa and I love you to love you, baby
Just to show you Monica not havin' it

(You make me feel)
You make me feel
I'm so gone
(So gone)
Woner why you make me
(You make me feel)
Whoa and I love you to love you, baby, I
(So gone)

Said that I need you, I don't really need you
Said that I need you, oh
Said that I need you, I don't really need you
Said that I need you, oh
You treat me so unreal
