[Chorus:]

I tried
To fight it
But I can't seem
To shake it
And everytime
Were seperated
I can't seem
To take it
And I kno
Wat it iz
I'm in love
I'm in love
But I hope
I ain't alone
Cuz I'm gone
I've been deep
In n creepin
Is no longer
An option issue
And itz only u
And ain't
A damn thing
Can stop me now
I kno wat it is
I'm in love
I'm in love

Now when we started
It waz fun
And in the same way
Been threw
All are ups and downs
But I never
Let things change
The way I felt
You made ma heart melt
And still till this day
I can't control myself
I keep thinking
Is he liying
Is he cheating

I can't even focus damn
It got me crying
In the meeting
Over u always tru feeling
Ways that I thought
I knew your walkin'
With my heart
In your back pocket
Like it's portable
And if you sort threw
You kno it belongs to u
But take my love
For granted
I will have to say
What's wrong with you
You need to tell me
How you feel
So I kno
To take it further
Or feelings to chill
Cuz on da real
You got sum sort of
Skill that got ma
Mind high (high)
Runnin like the water Bill
Good times, great times
Wish you wasn't late times
Call you on da phone
Everytime I get a break

(Chorus)

That I ain't alone
Cuz I'm so in love
With you bo

So in love with you

You kno just what to say
To make me feel
That special way
Every breath I take know
That we waz not a mistake
I couldn't see it coming
I waz blind sighted
Don't kno if I should
Or should not fight it
Cuz I been hurt before
I'm one you gotta nurture
For itz more then love
Then shopping in and out

Of merchant stores
I'm at da age
I ain't tryna play games
Best chapter of ma lyfe
Are you tryna turn the page
I kno you had
Your share of ladies
That were shady if you want
Then call me crazy
But I'm sure
This ain't no maby
I'm not da type
To wanna waste your time
And if they love ain't true
No need to waste a night
You mean a lot to me
I don't kno how
You got to me
Pictures of us
In the house
In almost every spot
You see now
What it's down
To b is feelings
Out the norm
We made it this farr
I need to kno
If were encore

(Chorus)

So in love with you
I'mmm so in love with you
Yeah, ya

I kno you had
Your share of ladies
That were shady
If you want
Then call me crazy
But I'm sure
This ain't no maby
I'm not da type
To wanna waste your time
And if they love ain't true
No need to waste a night
You mean a lot to me
I don't kno how
You got to me
Pictures of us
In the house

In almost every spot
You see now
What it's down to b
Is feelings out the norm
We made it this farr
I need to kno
If were encore

(Chorus)
