Look into my eyes,  
you will see  
what you mean to me.  
Search your heart,  
search your soul.  
When you find me there,  
you'll search no more.  
Dont tell me,  
its not worth trying for.  
You cant tell me,  
its not worth dying for.  
You know its true,  
everything i do,  
i do it for you.  
Look into your heart,  
you will find,  
there is nothing there to hide.  
Take me as i am,  
take my life.  
I will give it all,  
i will sacrifice.  
Dont tell me,  
its not worth fighting for.  
I cant help it,  
theres nothing i want more.  
You know its true,  
everything i do,  
i do it for you.  
There is no love,  
like your love.  
And no other,  
could give me another.  
Theres no way,  
unless your there.  
All the time,  
all the way.  
Everything i do is for you.  
You cant tell me,  
its not worth trying for,  
just cant help it,  
theres nothing in the world i want more.

Oh i'd die for you,  
i'd lie for you,  
walk the while for you.  
Yea i'd die for you.  
You know its true,  
everything i do.  
I do it for you
