And I Would Die For (U)

Damit Look At Me All This Hurt U See It Was Caused By

All The Things Baught They Could Never Cause As
Much Pain I Took From (U)
Now U Look At Me Saying Baby Please I Could Never Be

[Bridge:]

Back To Way Things Were When You Were Here With
Me Now I Realize That U Can't Make It With Out Me

[Monica: Talking]
See Their I Was Thinking All Along You Were The
Perfect Example Of A Man To Me
But When I Look Back, I Mean Really Look Back
U Only Just Missed Half Of The Qualities Of A Man That I
Needed U To Be
But Now Thanks For All Your Selfishness That Day Will
Never Be
Thank For The Memories
(Thanks,Thanks)

Thanks For The Misery All That U Done To Me
(Thanks,Thanks)
U Know U Didn't Have To Keep All That Away From Me
(Thanks,Thanks)
Delt With A Tragedy There's No More U And Me
(Thanks,Thanks)
Now Everything U Din't Give Someone Else Has Given
Me
