Baby baby tell me whats up? Can you hear me?  
Or do I do I need to turn it up? (Huh huh)  
Baby baby tell me whats up? Can you hear me?  
Or do I do I need to turn it up? (Huh what)  
Baby baby tell me whats up? Can you hear me?  
Or do I do I need to turn it up? (Huh huh)  
Baby baby tell me whats up? Can you hear me?  
Or do I do I need to turn it up? (Huh what)

Boy this evening was it only me  
Feeling completly down to be open  
Down to be open for some satisfaction  
Didn't want to say yes, afraid of your reaction  
I knew it was wrong, for feeling this way  
Especially the thought of givin' in on the first date  
Couldn't let go, it stayed on my mind  
At the end of the night I had to decide, I was thinkin'...

I should make a move but I won't  
I know your probly thinkin' something is wrong  
Knowing if I do that it won't be right  
I don't get down on the first night

I should make a move but I won't  
I know your probly thinkin' something is wrong  
Knowing if I do that it won't be right  
I wanna get down, but not the first night

We were chillin' watching your T.V.  
I felt it was comin' the closer that you got to me  
Wanted to touch you, wanted to kiss you  
And some how in one night, discover I love you  
Felt so right, but it felt so wrong  
And look how we're carryin' on  
Tryin' to say things to get me to stay  
But my watch is telling me it's getting to late, I'm  
thinkin'...

I should make a move but I won't  
I know your probly thinkin' something is wrong

Knowing if I do that it won't be right  
I don't get down on the first night

If you, what me, you got to know me  
And if you want my love (My love) you gotta wait my  
love  
Ba Baby that's the way its got to be  
Get to know me (Get to know me) so we can do this,  
Oooohhh

I should (echo) I know your probably thinkin' (echo) (I  
want I want babe)  
Knowin' if I do (echo) (I want I want babe)  
I don't get down, on the first night

I should make a move, but I won't  
I know your probably thinkin' something is wrong  
Knowing if I do that it won't be right  
I wanna get down, but not the first night
