Have you ever slipped up an' got caught up in  
something  
Criminating evidence uh oh uh oh  
Didnt pay attention when you thought you were creepin  
You thought you kept on the low oh uh oh  
I thought I had my game tied down til I got caught up at  
night  
'Cause I didnt turn off the cell phone  
Heard everything I said and I was so busted and all  
that I could say was uh oh

[hook]

Betta watch them 2 ways (it will get ya caught up)  
Caller Id will (will get ya caught up)  
Message on the voice mail (wiil get ya caught up)  
Them shady friends that go & tell(caught up, caught  
up)  
Uh oh, uh oh, uh oh, uh oh ...

Now one time I caught this guy in a really crazy lie  
I guess he thought I didn't know oh uh oh  
So I didnt say a word about what I had heard  
Then I had to see how far he'd go oh oh oh  
See the girl he was talking to was cool with this girl that  
I knew everything they did, you know she told  
So I stopped by his crib when I knew shed be with him  
And all that he could say uh oh

[hook]

Everything you do in the dark you know its, it's gonna  
have to come to the light  
Soon you're gonna run out of luck if yo game aint tight  
and ya get caught up,  
All my homegirls listen to Mo  
Stay on top of the game so your man will never know,  
All my fellas just keep it low  
So your girls wont ever have to hear you say  
'Uh oh'

[hook out]
