(Intro)

Ooh ooohh oh  
Baby I don't know oh oh

Verse 1

Don't know why I been tryin so hard 2 talk 2 u Don't know  
I still care bout u so much  
But I'm makin a fool out of myself  
And there's gotta b some reason behind it (yeah yeah  
oh)  
I told u before that I jus needed an answer  
So I would have some closure (so you could say)

Chorus 2x

Why oh why do I waste my time on u  
When once in awhile u call me up 2 do what u wanna do

Verse 2

U didn't like my past attitude  
The past is in the past baby  
That's all I could say  
It happened (it happened)  
My attitude is me,  
Golden rule I treat others how they treat me  
I'm tired of people fukin me over so I get an attitude  
like I do with u

Chorus 2x

Why oh why do I waste my time on u  
When once in awhile u call me up 2 do what u wanna do

Verse 3

Now about the other guys? (Yea I get with em and  
what?)  
Its not even the case here so don't waste my time  
YoU think imma liar that's been playin games with you  
I can't blame u but u shouldn't make urself so difficult  
about dealin wit a girl jus be'cause u haven't had good  
experiences with them  
I always cared about u  
What about all those times I left n spent the night jus 2

spend sometime wit u...does that not matter now?

Chorus 2x

Why oh why do I waste my time on u

When once in awhile u call me up 2 do what u wanna do

(Repeat 2x)
