MONICA AND USHER...PLAY ANOTHER SLOW JAM...

(USHER)

i was all alone, i was feelin' rather low  
i needed someone to lift my spirits up  
so i dropped in on a dance, just to take a glance  
and there this lovely thing was, she was more than  
enough  
i aksed her for her hand, said would you like to dance?  
so pleased that i had asked, she quickly took my hand  
and we danced and fell in love...on a slow jam...ooooh

(CHORUS)

play another slow jam, this time make it sweet  
wanna slow jam for my baby and for me  
play another slow jam, this time make it sweet  
wana slow jam for my baby and for me

(MONICA)

Seems what you say is true, i feel the same way too  
you see i've waited all night long just to dance with you  
and when you touched my hand i knew you were the  
man  
to turn my world around and make my dreams come  
true  
The magic in your eyes, made me realise  
that everything i feel has got to be real  
and we danced and fell in love on a slow jam

(CHORUS)

(USHER)

I've been trying to find someone who, I could give my  
good lovin' to  
never ever did i dream i'd find someone...yaaaah

(MONICA)

and i've been trying to find someone too  
i prayed to heaven then i found you

(USHER & MONICA)

i swear i fell in love the night you danced into my heart

(CHORUS TO FADE)

(USHER MONICA)

Can I get a slow jam? Do you wanna slow jam, Baby?

Can I get a slow jam? Play another slow jam, Are you  
gonna slow jam?

(MONICA)

Dance with me

(USHER)

Dance with me baby

(FADE
