Crazy I
Talk to the sky
For this is heaven's joke
Water flows
The mountain knows
For she is old and wise
Crazy me
Talks to the trees
This hole it is my home
Circles end
Where I begin
For everything is whole
It's easy to kill me
'cause I'm like the water
Sunshine
Is mine
And your time
Is silent I
Lie in her side
Her beauty makes me choke
And down below the fire grows
And so we are alive
She died in me
So I can see
A love I've never known
Then again so far within
I'd rather be alone.

It's easy to kill me
'cause I'm like the water
Sunshine
Is mine
And your time
Is over

Arrows fly through frozen sky
Their fire leads me home
Vessel shines for life is light
This universe was mine
Now begins where before ends
So this robe has it's time
Circles end where I begin

For everything is whole

It's easy to kill me
'cause I'm like the water
Sunshine
Is mine
And your time
Is over

Crazy I
Talk to the sky
For this is heaven's joke
Water flows
The mountain knows
For she is old and wise
She died in me
So I can see
A love I've never known
Then again so far within
I'd rather be alone.

It's easy to kill me
'cause I'm like the water
Sunshine
Is mine
And your time
Is over
