Not saying that it's good,
Not saying that it's right,
But the Virgin Mary may have been
A hermaphorodite.

Motherfuckin' go!
Motherfuckin' go!
Motherfuckin' go!

God is good, God is great,
I think that he might be gay.

Not saying God is gay,
Not saying that at all.
But if Jesus Christ was God and God created all.
Then Jesus Christ created the homosexual.
There might be a little fag in us all.

They say that God hates Fags,
They walk around so pissed.
Disguise their hate as love,
But have they thought of this.
He made us in his image,
Now listen to what I say.
Then it's a possibility that Jesus Christ was gay.

She was with a child without having a man?
And that's not the only thing that I don't understand.
