Jesus shit what a crock,  
Now you say that the church was  
built on a rock  
But that rock is on top of the  
millions of dead  
Who could not get that Jesus shit  
into their heads  
No, no, no that's a lie  
These are dishonest people with  
dishonest lives  
Now they say that they know but  
they can't understand.  
How that version of Christ is a lie  
and a scam.  
Tiny version...so incomplete.  
No more pearls to the swine,  
Why does saving your soul mean  
abandon your mind?  
If there's power in God and the  
things that you say,  
You should trust in his love and

get out of it's way

Why why why try to scare,

One's relation to God is a private  
affair.

If your's taught you to love than

get on with your plan,

you don't have to destroy what you  
don't understand.

Tiny version Tiny version so

incomplete.

Holy rollers please call off your

soldiers,

see your marching orders, they

destroy our lives.

Pick up pieces from your soul

diseases;

try to reconnect them with our

ancient minds.

Jesus shit what a crock

built on a rock

But that rock is on top of the

Who could not get that Jesus shit

No, no, no, thats a lie
