Verse 1:

I'm walking in the darkness
Waiting for the first snow drops
I'm looking in the sky
And waiting for my true love
I don't know if he will come
But I'll just wait forever till he comes
Till my prince comes

Chorus:

I'm waiting for my christmas love
I'm looking and searching very much
I don't know if I will see him
Just soon
Very soon
My prince will come
My Christmas love will come for me
And save me from all my distress

Verse 2:

I'm waking in the morning
Waiting for my prince to come
It's christmas morning
My love is coming
I'm sarching and lurching
I wait for his coming
For he is my Christmas Love

Chorus(2x)
