Dangerously sexy,
Cool, crazy, naughty,
You're another kind,
Girls set in your traps,
'Cause you've got gentle hands,
But a dirty mind.

You are so addictive,
So attractive,
You can be whatever they like,
Ferrari 599,
Baby, you've got style.

I know what you want,
You know what I like,
Girls for one night stand,
Whet your appetite.

Don't open your mouth,
I know what you're 'bout,
If you'd make me react,
Why you're who is on my back?

You wanna take me at home,
You've turned my iphone off,
So I know what you want,
Turn me on,
I won't sleep alone,
Escape from you is impossible at all,
You're invincible.

You're near; I'm seeing it clear,
What your strategy is,
I've gotta avoid your kiss,
Where are my keys?
I see I'm gonna fall,
I'm feeling I'm loosing control,
You're irresistible.

You're trying to scare me,
Just come,
You are in front of me,

You pose and stare.

We are face to face,
But we both know,
Your goal is,
Under my skirt (ninja.png). (I promise she really says
that!)

You've taken off my drink,
Smile & wet your lips,
It's easy to see that you're too brash,
Ever ready, Always steady,
You're the closest thing to lust.

We won't get so far,
There's no time to waste,
A hustla is what you are,
And I will be your chase.

You're searching 4 the worst,
But I knew it first,
Fool of you,
Don't know who's seducing who?

You wanna take me at home,
You've turned my iphone off,
So I know what you want,
Turn me on,
I won't sleep alone,
Escape from you is impossible at all,
You're invincible.

You're near; I'm seeing it clear,
What your strategy is,
I've gotta avoid your kiss,
Where are my keys?
I see I'm gonna fall,
I'm feeling I'm loosing control,
You're irresistible.

Come on, let's come to blows,
It's time to see that thing you gotta show wow,
I won't disturb your flow,
There're things that your mom shouldn't know.

You wanna take me at home,
You've turned my iphone off,
So I know what you want,
Turn me on,
I won't sleep alone,
Escape from you is impossible at all,

You're invincible.

You're near; I'm seeing it clear,
What your strategy is,
I've gotta avoid your kiss,
Where are my keys?
I see I'm gonna fall,
I'm feeling I'm loosing control,
You're irresistible.

At the end she shouts - I wouldn't sleep alone, ? not in
your zone, babe I am not scared, you are just another
affair, I promised myself, that I won't lose control,
you're irresistible.
