"Till There Was You"

Visit "[Till There Was You](#)" on MotoLyrics.com

There were bells on a hill
But I never heard them ringing
No I never heard them at all
'Til there was you
There were birds in the sky
But I never saw them winging
No I never saw them at all
'Til there was you
Then there was music
And wonderful roses

They tell me
In sweet fragrant meadows
Of dawn and you
There was love all around
But I never heard it singing
No I never heard it at all
'Til there was you
Then there was music
And wonderful roses

They tell me
In sweet fragrant meadows
O dawn and you
There was love all around
But I never heard it singing
No I never heard it at all
'Til there was you
'Til there was you
