What would you do if I sang out of tune
Would you stand up and walk out on me
Lend me your ears and I'll sing you a song
I will try not to sing out of key

ohh baby I get by,
(by with a little help from my friends)
All i need is my buddies
(try with a little help from my friends)
I said I want to get high I will
(High with a little help from my friends)
Who-Ho-Hoo-yeah

What do I do when my love is away,
(Does it worry for you to be alone?)
no no
How do I feel by the End of the day
(Are you said because your on your own)
I hope you Don't say it no more

(by with a little help of my friends)
Gonna get by with my friends
(try With a little help from my friends)
Heel-heel-heel I'll will try
(High with a little help from my friends)
Keeping it high I will

(Do you need anybody)
I need someone to love
(Could it be anybody)
All I need is someone who knows
Just where I'm going yeah
Somebody who knows quiet sure, baby

(by with a little help from my friends)
Said I'm gonna make it with my friends
I will
(try with a little help from my friends)
Who-hoo-I wanna keep on trying
(high with a little help from my friends)
I'm gonna keep on trying

(Would you believe in a love at first sight?)
I'm certain it happens all the time yeah
(What do you see when you turn off the lights?)
I can't tell ya, but it sure feel like mine

(by with a little help of my friends)
Don't you know
I'm gonna make it with my friends
(Try with a little help of my friends)
I promised my self I get by
(high with a little help of my friends)
Said I'm gonna try it a little to hard

(Do you need anybody)
ohaaa- yeah yeah yeah
(Could it be anybody)
Oh there's gonna be somebody
Ohh yeah yeah

(by with a little help from my friends)
Said i'm gonna get by with my friend
I tell ya
(Try with a little help from my friends)
Ooh yes I'm gonna keep trying
(high with a little help from my friends)
Keeping it trying with my friends
(by with a little help from my friends)
Ooh you never gonna stop me anymore
(try with a little help from my friends)
I'll keep on trying
(high with a little help from my friends)
get on high, i'm wanna make time oh lord
Gonna get by with my friends
