[Verse 1]

Have I told you lately  
How much I think about you  
The way you laugh the way you love  
The way I feel around you  
The stars would fall for you  
And I would die for you

[Verse 2]

Have I told you lately  
How much I dream about you  
The way your eyes dance in the sun  
The way the heavens wrap around you  
And I would walk the world  
To prove that I am yours

[Chorus]

You're my angel, you're my queen  
And I will give you everything  
I'm crazy, I'm crazy  
I've been around the world to see  
That you're the only girl for me  
I'm crazy, I'm crazy

[Verse 3]

Have I told you lately  
How much you mean to me  
Every word from your mouth  
Is like a drop of honey  
The stars would fall for you  
And I would die for you

[Chorus]

[Bridge]

I can barely breathe when I'm without you  
I honestly believe I might die without you  
You're the rhythm that my heart beats to  
And I'll do anything because I love you  
Girl I Love you

[Chorus]
