Iâ'm lying here in my bed
Thinking of happier times
Watching the tube and hearing songs
that make me want to shine

Fish heads fish heads lovely and prime
Fish heads fish heads covered in slime

I got something to eat
Something nice and something sweet
to fix me for the day ahead
to help with the work and sweat

Fish heads fish heads lovely and prime
Fish heads fish heads covered in slime

If i could Iâ'd eat fish heads all day
Nothing but the best for me
I love fish heads theyâ're great
but I give them away free

Fish heads fish heads lovely and prime
Fish heads fish heads covered in slime
What should I write about
Something meaningful to me
Instead of love I choose trout
And head of other fishies.
