Mada samishisa wo kakusezu ni iru no?
Ningen wa dare mo ga minna
Tsuyokunai kara
Sono mama de ii yo

Tsumetai kaze ga fuku
Kono basho kara
Nogarenaide
Yorisoi sasae atte...
Kimi wa hitori jyanai sa

I don't wanna find
Something else to say
I blame it on my heart
It's all I can take
Better off waiting
Our time isn't over
I will be waiting for you

Fukaku shizunde hirogaru yami ni
Akari wo tomosou ka?
Kogoeta kokoro wo
Kasanete atatamete
Yasashiku tokasu kara

Tsumetai kaze ga fuku
Kono machi kara
Hajimaru no sa
Yorisoi sasae atte...
Kimi wa hitori jyanai sa

I don't wanna find
Something else to say
I blame it on my heart
It's all I can take
Better off waiting
Our time isn't over
I will be waiting for you

Hitomi wo tojite sagashi ni ikou
'Cause I'll lead your heart

And I will never let you go
Yes I will be waiting for you
Nani mo kamo wasurete

I don't wanna find
Something else to say
I blame it on my heart
It's all I can take
Better off waiting
Our time isn't over
Never I fade away

I don't wanna find
Something else to say
I've waited all my life
To lead to this day
(It was) better off waiting
It feels like it's over
But I'll still be waiting for you
