Leaving on that 7:30 train, I don't know how far I'll go.
Running circles just as long I would tell you:
I am alone, but we could be.

Tell me something I haven't heard before,
Except for when you shut me down.
Remember when we stayed up all night drinking
whiskey.
I know that you've been waiting.
I'll see you on the other side.

Oh! We're better off alone, I told you once before,

So don't knock on my door, you'll see it if you will,
But I don't wanna know.
I'm feeling so resentful.

I wanna fly
Fly me up so high
Take me to the skies
I won't get by
Itsu made mo kimi no koe ga
Boku no kokoro de hibiku
If you can't believe me take me home

Kimi no chiisa na te wo* semete ato sukoshi
Tsuyoku nigiri shimete itanara
Yukkuri ashita wo* materareta noni

Namida no wake shiteita kedo
Ima dewa mou ososugiru kara
Sore wa sugi yuku
Keshiki no youni

I wanna fly
Fly me up so high
Take me to the skies
I won't get by
Itsu made mo kimi no koe wa
Boku no michi ni aru sa
If you can't believe me take me home

Everybody's talkin'
Always up and groovin'
Come on up and join up with me yeah!
Always on and dancin'
Always up and moving
Come on everybody won't you come with me?

'Cause I wanna fly
Fly me up so high
Take me to the skies
I won't get by
Everybody needs to go beyond the seas
If you can't believe me take me home

Cause I wanna fly, I wanna fly,
Take me high.
Cause I wanna fly, I wanna fly,
Take me high!

I wanna fly
Fly me up so high
Take me to the skies
I won't get by
Itsu made mo kimi no koe wa
Boku no michi ni aru sa
If you can't believe me take me home

*for those who don't know, "wo" is pronounced as "o"
