Ohh ohh ohh ohh  
Yeah things are goin' down

You may be tired but you know you're goin' places yet  
To settle down now you'd be crazy 'cause you're  
makin'it

You make it sound like things are comin' at you a mile a  
Minute when actually it is just you movin' all alone

Ohh ohh ohh ohh ohh  
Yeah things are goin' down

You take your time at a calculatin' speculatin' and  
You think you're sly but somehow they don't seem to  
give  
A damn

No need to worry 'cause you're on your own terms now  
so

Live it  
Yeah... like a champion you lead the way. No goin' home

You're sayin', You're fallin', You're callin' out  
You're sayin', You're fallin', You're breakin' down.  
You're sayin', You're fallin', You're freakin' out  
You're sayin', You're fallin', But you'll make it out  
(I don't wanna see it fall down, I don't wanna see  
myself  
Fall down)

Ohh ohh ohh ohh  
Yeah things are goin' down
