What do you know
I got a magical flow
I pulled one million dollars right out of my coat
Decided how to spend it
Need to spend it
Think I'll put it down so I can try to help kids
Livin' my dreams so I can help you with yours
There's only one big thing and it starts on all fours
Gotta break ya down, break ya down
Cause none of this fame helps unless you got soul
What do ya want, now what does it want
You got people 'round the world who know you're a
nonchalant

Sittin' you down (Break you down now)
Come on man, there's nothing to it

(What do you say we figure out a way)

We help with what we can and stop playin' these tricks
We got one track mind
Don't let it define you
This is the meaning of magic

Da kara nani wo ieba ii no
Wasurete shimaeba ii no ka
Kore de ii no ka wakaranai
Itsu mo soba ni ite
Hitotsu ni narisugite

Da kara nani wo ieba ii no
Wasurete shimaeba ii no ka
Kore de ii no ka wakaranai
Itsumo soba ni ite
Hitotsu ni narisugite

Da kara nani wo ieba ii
Wasurete shimaeba ii no
Kore de ii no ka wakaranai
Itsu mo soba ni ite
Hitotsu ni narisugite
