Lately, she's got me hypnotized  
With a word she triggers numbness in my head  
Maybe you keep me holding on  
'Cause loneliness is one thing that you dread

Maybe you ain't listening baby  
Turn the volume up a little  
Yeah that's all it takes

Yeah you got me goin' crazy  
Running round in circles lately  
Yeah can't set things straight

You don't know yet  
But I've been waiting for the right time to talk to you  
You don't know yet but I've been yearning yeah  
Oh to step up to the plate and bring myself to say.

I'll take good music any day  
'Cause I'm all fed up with reason  
'Cause you know my heart has got to play  
I said, I'll take good music any day  
'Cause I'm all fed up with reason  
'Cause you know my heart has got to play  
I said

Maybe, if you'd give me half a chance  
I'd a slowly edged back to your way instead  
Of me fading in the distance  
But you always had to have it your own way

You knew everything about me  
Never got real close now did we yeah  
It's too fate  
Yeah you got me goin' crazy runnin' 'round in circles  
Lately yeah  
Can't set me straight

You don't know yet but I've been yearning yeah  
Oh step up to the plate and bring myself to say

I'll take good music any day  
'Cause I'm all fed up with reason  
'Cause you know my heart has got to play  
I said, I'll take good music any day  
'Cause I'm all fed up with reason  
'Cause you know my heart has got to play

Maybe you could beg  
Lie a little bit  
Put my trust back into you  
To get my faith again

I'll take good music any day  
'Cause I'm all fed up with reason  
'Cause you know my heart has got to play  
I said, I'll take good music any day  
'Cause I'm all fed up with reason  
'Cause you know my heart has got to play
