Feeling like it's always the morning,
I'm tired and I'm walking to no where,
Wish that I could close my eyes, and think I'm
Somewhere else oh!
I don't even know anybody, but if I did I would tell
Them my story.
Evening comes I'm lost in thought, I need some more
Time.
How did I get down here so low (how did I get myself so
Low)
Need a friend to hold on to (wake me up and let me go)
Say the word and I'll follow in no time (no time I'll
Try)
I'm brushing up, let it all shine.

Tell me ima sugu sotto

Hibiku sono kotoba no imi
Zutto ki ni natte ita n'da
Tojita tobira no ura ni nani ga aru no
Toki o sakanoboreta nara
Yoru o asa ni modosetara
Hikaru KAGI mitsukedasu no sa

I don't even know anybody, who I can tell my story,
Even when I got them listenin' no one is listening.

Kono tobira o hiraketara
Kitto umarekawareru sa
Soshite mata Wake one more time

How did I get down here so low (how did I get myself so

Need a friend to hold on to (wake me up and let me go)

Being alone, wasn't even getting no where
Hitori de wa Your world is coming down 'cause no one's
By your side, and when
Moshi tsudzukerare naku nari sou na toki mo I'm there.

Come on... I've been feeling high as the ceiling, if I
Fall down I will climb for more.
I've been climbing to the ceiling, I'll fall once more.

Tell me ima sugu sotto
Slowly oshiete motto
New scene kore kara zutto

Wishing I mou ichido mata
New story itsuka no you ni
Hajimeyou kimi to boku de
