I've said everything that there is to say  
I want you to stay  
Why don't you give me one more chance

All the wasted time  
Leave it all behind  
Our hearts will tell the truth why don't you listen

If what you want is something new  
That's exactly what I'll give to you 'cause I need you

I don't care that the entire world revolves around you  
So long as that I am in it

So give me  
Oh give me one more chance  
Yeah give me  
Yeah give me one more chance

I've said everything that there is to say  
I want you to stay  
Why don't you give me one more chance

All the wasted time  
Leave it all behind  
Our hearts will tell the truth why don't you listen

If what you want is something new  
That's exactly what I'll give to you 'cause I need you

I don't care that the entire world revolves around you  
So long as that I am in it

So give me  
Oh give me one more chance  
Yeah give me  
Yeah give me one more chance

I'm lost to say the least, I put myself at ease,  
Breathing heavily like my chest is caving in,  
Is this happening? Really? really?

Gotta get outta here, I haven't had a tear in years.  
Breaking me down, taking me down, moving me down  
low.  
Like I never felt before, what ya want me to do?  
I love you girl! You rock my world.  
It's been a long time since I've had a good time.  
Hoping this will never end because it's so fine.  
It's been a long time since I've had a good time.

Yeah give me  
Yeah give me one more chance
