Sora wa marude kimi no you ni aoku sunde doko made  
mo  
Yagate bokura egakidashita ashita e to hashiridasu

Tabidatsu kedo looking in the rear view mirror  
I got you there sukoshi dake clearer  
I know with youã€€subete ga hirogatteiku  
All we need is just a little more time nagareteru kara  
Everyday look at yourself and smile  
Hoping things will go your way.

Tashika na koto nado nani mo  
Dare ni mo waranai kara  
Donna koto ga okoru darou  
Te wo tsunaide I'll never let you get away

Sora wa marude kimi no you ni aoku sunde doko made  
mo  
Yagate bokura egakidashita ashita e to hashiridasu

1...1...Hey I wish we hadn't departed,  
But now you life has started,  
We met at the shop, and still have something in  
common.  
Soshite itsuka wakaru?  
I'm hoping everything is fun,  
Kisetsu ga meguru yo  
Tagai ni sugoshite hibi ga aru kara  
I'm happy ya had the time to stay.  
Letting it back, to chat, chillin' and bringin' it back.

Tashika na koto nado nani mo  
Dare ni mo waranai kara  
Donna koto ga okoru darou  
Te wo tsunaide

Sora wa marude kimi no you ni aoku sunde doko made  
mo  
Yagate bokura egakidashita ashita e to hashiridasu

Everyday I wake up thinking of you

You make it all clear to me  
What I want you to do  
Leave it up to you  
I always knew you'd make it somewhere  
You're pushin' it for the top  
You never can stop  
Enjoy the ride  
And you know I'll always be there for you  
So make every moment true

'Cause we all grow up and and our time is running out  
(But) we can teach our youth  
That's what life's all about  
Maybe you'll fall in love  
I maybe be your guide 'till then  
Kimochi osaekirezu ni...yeah

Sore wa marude namida no you ni afuredasu yo  
itsumade mo  
Deatta hibi no yorokobi mo itsu no hi ka itsu no hi ka
