As I laid out on a May mornin'  
By the Verdant Braes of Screen  
I stood my back to a leafy tree  
To view the dew on a far county  
The dew on a far green

"Oh I'll not sit on the grass" she said  
"No lover will I be of thine  
For I hear ye lie with a corner" girl  
"And your heart's no longer mine" she said  
"And your heart's no longer mine"

"Oh I will climb yon high high tree  
And I'll rob that wild bird's nest  
And back I'll bring water I find  
To the arms I love the best" he said  
"To the arms I love the best"
