Bad habits.
Cheating at exams.
Bad habits.
Never washing hands.
Bad habits.
Smacking in their bugs.
Bad habits.
I won't do it again, Uh oh.
Uh oh.

Bad habits.
Buying dirty mags.
Bad habits.
Dodging in to flicks.
Bad habits.
Groping in the dark.
Bad habits.
I won't do it again, Uh oh.
Uh oh.

All these things,
They lower my resistance.
Don't think I can
Stay the distance.
All these things they say are bad,
They feel so good to me, you know
I just don't think I can
Resist 'em.

Bad habits.
Staying out all night.

Bad habits.
Shouting at the kids.
Bad habits.
Beating up their wives.
Bad habits.
I won't do it again, uh oh.
Uh oh.

I won't do it again

I won't do it again
I won't do it again
I won't do it again

Bad habits.
Theiving from the poor.
Bad habits.
Robbing from the banks.
Bad habits.
Shooting at the law.
Bad habits.
I won't do it again, uh oh.
Uh oh.

I won't do it again, uh oh.
Uh oh.
Bad habits.
I won't do it again, uh oh.
Uh oh.
Bad habits.
Never again.
