Mumbling goodmorning and raising my head
A bad breath kiss to my pillow pet
I take a look at the day turns and stay in bed
Open my eyes when the day have died
I turned the world and I slept alright
Now my daymare is over I zip my shirt tight
Oh, Lord, won't you bless this night

From the pale lips of a youth who lay
(I'm sleeping my day away)
And when the night comes to the city I say
(I'm sleeping my day away)
Yeah, with my pale lips in the pillow I say
(I'm sleeping my day away)
'Cause after dark is the game I play
(I'm sleeping my day)
I'm sleeping my day away

When my dreams begin
I'd be proud to be letting you in
With a smile on my face I guide our dreamboat in
So if you wanna travel along with me
You better sleep tight the rest of the day
You see I could be a sleeper it's not rest I lack
'Cause I hit the sack when the suns coming back

From the pale lips of a youth who lay
(I'm sleeping my day away)
And when the night comes to the city I say
(I'm sleeping my day away)
Yeah, with my pale lips in the pillow I say
(I'm sleeping my day away)
'Cause after dark is the game I play
(I'm sleeping my day)
I'm sleeping my day away

And with the pale lips of a youth who lay
I'm sleeping my day away
And when the night comes to the city I say
I'm sleeping my day away
Yeah, with my pale lips in the pillow I say
I'm sleeping my day away

'Cause after dark is the game I play
I'm sleeping my day away
