I'm sorry that I hurt you
I took for granted all you gave
so freely to me
I pray it's not too late
To save you from a broken heart
To promise you
I'll make a brand new start
Believe me, when I say

You are all that I need
The only treasure I seek
You're the air that helps me breathe
through the darkest night when
I fall down on my knees
I was blind but now I see
You are all that I need

You know I'm far from perfect
Like a child that needs a guiding hand
Can you stay here with me?
I finally understand
You've always been the missing part
Complete the jigsaw puzzle of my heart
Please hear me, when I say

You are all that I need
The only treasure I seek
You're the air that helps me breathe
through the darkest night when
I fall down on my knees
I was blind but now I see
You are all that I need

Please, let me hear your voice again
Let me hear you say
your love will never end
That whatever it takes you'll be there
Believe me, when I say

You are all that I need
The only treasure I seek

You're the air that helps me breathe
through the darkest night when
I fall down on my knees
I was blind but now I see
You are all that I need
You are all that I need
