So you say life is unfair
She's got everything you wanted
And you're not even close
To getting where you wish you could be
You want to get the commendation
Love and adulation
But you're stuck here on your knees

Are you happy, green eyed monster?
Are you happy with your place?
What's the use of being haunted?
Your story for glory
Is right there in your face

So be glad
You're an architect creation
You're one of a kind
Just stay on track
Because every cross can be a blessing
All the gifts that you've been given
Close your eyes and listen
To who you're meant to be

Are you happy, green eyed monster?
Are you happy with your place?
What's the use of being haunted?
Your story for glory
Is right there in your face

Don't feed the monster
Wasting time comparing
Lose yourself despairing
I hear it, don't ya?
Hungry for our fight

Are you happy?

Are you happy, green eyed monster?
Are you happy with your place?
What's the use of being haunted?
Your story for glory

Is right there in your face

Right there in your face

Right there in your face
